Little Folks Camp's home-base is the club's Youth Center which is located next to the lap pool. When facing the Youth Center (with your back to the lap pool), there are three doors; we use the classroom space to the far left. Activities are held in the Youth Center, grassy areas, playground, basketball court & sand volleyball court. We do not swim in the pools or use the lake. Restrooms are conveniently located next to the Youth Center. Occasionally, we may use the restrooms just past the amphitheater.
