## Preparing & Packing for Camp:

Print the Camper Packing Checklist from the “Programs-Lake Forest School-age Camp” section of our website. It’s perfect for posting one on your refrigerator & another on the back of each child’s bedroom door (so they can help pack, too).

### What to Wear:

- Apply sunscreen (SPF 30 or higher).
- Wear swimsuit under their clothing. To make it easier for female campers at restroom time, ideally they should wear 2-piece suits. We do not take time to change into swimsuits before swim time.
- Wear weather-appropriate “play clothing” that can get messy.
- Campers are encouraged to wear their CampCo tie dye t-shirt, especially on Tie Dye Tuesdays & Thursdays. Shirts available for purchase in morning drive-thru line for \$15 each (cash or Venmo). Not required, but most campers wear them.
- Wear closed-toed, sturdy tennis shoes (sandals & Crocs are for pool time ONLY).
- Put child’s name on EVERYTHING from head-to-toe.

### What to Pack:

#### Each sibling child needs their own of each item....

- Put your child’s **NAME ON EVERYTHING** & place in a Backpack (a separate backpack for each sibling).
- Bottle of Sunscreen (separate bottle for each sibling).
- Change of clothes in a PLASTIC grocery bag (for after swim time).  
(Children will change, then put wet towel & suit in bag after water time. Write child’s name on bag, too).
- Hat
- Sunglasses
- Pool Towel
- Swim Goggles
- Flip flops, sandals or Crocs (for pool time only)
- Two filled water bottles or a refillable bottle
- Lunch\* & morning healthy snack (no nuts\*\* )
- Afternoon Snack &/or cash for CampCo Mini-Snack Bar (\$5-\$10)\*  
\*See **Lunch/Snacks & Snack Bar** section for details. \*\*We are a “nut-free” camp.

### Do NOT Pack/Send:

- Nuts or any items containing nuts of any kind. We are a nut-free camp.
- Cell phones, wristwatch communication devices.
- Electronics, iPads.
- Toys, dolls, stuffed animals, sports equipment, fishing gear...
- Animals of any kind.
- Weapons or toy weapons.
- Alcohol, drugs, vapes, tobacco items. Medications/epi-pens, must be given to Site Director upon arrival.
- Other items may be restricted as staff feels necessary.

### Before Leaving Home:

- Give hugs & kisses at home before getting in the camp drive-thru line.
- Put your child’s belongings in an easily-accessible location in your vehicle (in their lap, not in the trunk).
- Ideally, have child sit on the passenger side of the vehicle for the safest & easiest exit during drive-thru.
- Remind your camper about expected behaviors at camp.

## Drive-thru Drop-off & Pick-Up:

Our convenient drive-thru makes drop-off & pick-up quick & easy! Here's the scoop...

Monday drive-thrus (& the first few days of camp) are longer wait times as first-time families learn the routine. Help shorten the wait by:

- Watch the Orientation Video & read this information so you know what to do & where to go.
- Call us with any questions during the week prior to your camp rather than asking in the drive-thru.
- Have child's backpack on their lap so they may exit quickly. Do not put their belongings in the trunk.
- Have children ready to exit the vehicle & to do so once directed by staff.
- Driver & other non-camper passengers remain in the vehicle at all times.
- Drive-thru is held at the following times:

When?	How?	Where?
8am-8:10am	Drive-thru Drop off	Side Gate near Boat Launch
9am-9:10am	Drive-thru Drop off	Side Gate near Boat Launch
3:50-4pm*	Drive-thru Pick up*	Side Gate near Boat Launch*
5:50-6pm	Drive-thru Pick up	Side Gate near Boat Launch
In-between drive-thru times	Walk your child in to camp	Location depends on time of day

- Enter parking lot at the main driveway on Lake Forest Drive, between Jeronimo & Toledo.
- Watch for & obey all stop signs, one-ways, & other signage in the parking lot.
- We are sharing the parking lot with Club members who are not camp families. Please allow them in/out of parking spots & avoid blocking traffic so they may pass by during our drive-thru times.
- Follow CampCo directional signs through the parking lot to the side of the building near the Boat Launch.
- Be sure your child has their camp backpack on their lap before pulling into the drive-thru.
- Line up at the "Please Wait Here for Sign-in/Out" sign. Stay in your vehicle.
- Stop vehicle at the following stations:
  - **Tie Dye Shirts:** CampCo Tie Dye Shirts (\$15, Cash/Venmo).
  - **Dashboard Card:** Get a dashboard card & quick camper health check.
  - **Sign-in:** Site Director will sign in for each child.  
Campers must be dropped off by an authorized person aged 16 years or older.  
Tell Site Director if picking at 3:50-4pm (\*we ONLY bring those campers out)
  - **Campers Exit Vehicle:** Pull your vehicle to the "Campers Exit Vehicle" sign. Put vehicle in "Park."
  - **Staff assist Campers from Vehicle:**  
Staff will open passenger-side car doors to allow children to exit the vehicle & direct them inside the gate.
- At end of drive-thru, TURN RIGHT ONLY (towards Lake Forest Drive). Parking lot is a ONE-WAY!
- Sign out will be held at the same location.
- To speed the sign-out process at the end of the day, place your family's dashboard card showing through the driver's side front windshield & be prepared to show photo ID (staff closing that day may not know/recognize you). Photo ID must match the name of the person authorized to sign out for the day.
- Vehicles in the drive-thru get priority sign-in. Families who walk, bike or boat over will be signed in at the drive-thru gate when there is a break in the vehicle line.
- For the safety & proper supervision of our campers, we will not do any sign-ins or sign-outs during our walk to & from the Drive-thru. Do NOT drop your child off & have them walk over unescorted!

In order to keep our camp day running with minimal interruptions, we request that families use our drive-thru times & are discouraged from parking & walking in to camp to sign-in & out at off-times. If you must drop off or pick your child outside of the drive-thru times, parents will need to park & walk their child to camp. Please wait just outside the camp boundaries (coned area) for staff to sign your child in or out. Only campers & staff are permitted within camp boundaries.

## Late Pick-up Fees:

- Campers not signed out by an authorized person by 6pm will result in a \$2 per child for every minute late.
- Time is determined by Site Director's watch/phone. Late fees are due at pick-up payable by cash or Venmo.
- Repeated late pick-ups may result in suspension or dismissal from the program.

### **Lunch/Snacks, Water & Snack Bar:**

- Campers must bring their own healthy morning snack & lunch\*.
- Pack a lot of food; they are much more active & will likely eat more than on an average school day.
- We are a “nut-free” camp. Please do not send pb&j sandwiches, Nutella, candies, cookies with nuts, etc...
- Campers usually eat lunch at 12pm.
- Afternoon snack: bring from home &/or bring cash for purchase from CampCo Mini-Snack Bar (\$5-\$10).
- CampCo Snack Bar Items are \$1-\$6 each. Most parents send \$5-\$10 per child in one-dollar denominations. We recommend not sending more than \$10 per child.
- Please send separate money for each sibling as campers go to the Snack Bar with their small group.
- Snack Bar money should be in a kid-wallet or ziplock baggie with their name on it. Show your child where you are putting it in a side pocket of their backpack & remind them it stays in their bag until snack bar time.
- Each camper is responsible for their own money & any change given.
- Campers may not share their money with other campers.
- CampCo Snack Bar items include: candy, ice cream, RB floats, chips, corn dogs, cup o’ noodles, more.
- CampCo reserves the right to limit campers’ consumption of certain items from the Snack Bar (no nut items & limited candy/sugar treats).
- Leaders will remind campers to drink water & refill their water bottles at multiple times throughout the day. Please discuss with your child the importance of drinking a lot of water & refilling during the camp day.

\*As of February 2026, the LF Sun & Sail Club is working on remodeling their pool-side Snack Bar & bringing in a food service vendor. Their goal is to have it up & running by Summer 2026. Until we have confirmation that the Club’s Snack Bar is ready for camp service, we will continue having campers bring their own lunches/snacks & offer our CampCo Mini-Snack Bar during afternoon snack. As summer approaches, CampCo will update this information packet as to the status of the Club’s new Snack Bar, & if available, menu choices & prices. <https://lf2.org/facility-upgrade-project/>

### **Swim Time:**

- CampCo uses the Family Pool during swim time.
- Swim Time is normally each afternoon beginning between 1pm-1:30pm & ending at 2:30pm.
- Alternate indoor activities are offered for campers who prefer not to or are unable to swim for the day.
- Campers must remain in the pool or within designated boundaries around the Family Pool during swim time.
- Campers must pass the Swim Test in order to use the deep end/diving board.
- Swim Test is offered each Monday (or whatever is child's first day for the week). Campers test each week.
- Campers who take & “pass” the swim test will receive a blue wristband which shows that they have permission to swim in the deep end (12 feet) & use the diving board during “deep end times” for that week.
- Campers who choose not to take the swim test or “do not pass” will receive an orange wristband which gives them permission to stay in the shallow end (depth ranges from 3½ to 4½ feet).
- On a case-by-case basis, CampCo may waive the requirement to re-take the swim test every week for stronger swimmers who easily pass the swim test; this is 100% up to staff & we ask that parents respect our decision if we believe that a camper is not ready to safely use the deep end during camp.
- Campers staying in the shallow end must have the ability to either stand in the shallow end or swim well enough to play in the shallow end.
- Campers may not wear/use floaties or use flotation devices in the pool as it encourages campers to swim in a depth that is beyond their abilities.
- Supervision during swim time includes CampCo staff at a 1:10 ratio, each of whom is trained in basic water rescue & safety measures, CPR & First Aid. Lake Forest Sun & Sail Club provides trained lifeguards.

### **Fishing:**

- Campers will have opportunities to do some catch & release fishing during the week, usually on Tuesday & Thursday mornings.
- CampCo provides all fishing gear & bait. Campers may not bring their own fishing equipment.

### **Campers Enrolled in Dolphins Swim Team:**

- CampCo can provide complimentary drop-off & pick-up of campers to their on-site Dolphin Swim Team practices during camp mornings.
- To partake in this service, answer the Swim Team practice questions during online CampCo registration system or update the info no later than 7 days prior to camp, including practice days, times & color level.
- CampCo does not stay with campers & is not responsible for campers while they attend Swim Team.

### **Campers Enrolled in On-site Swim Lessons:**

- CampCo can provide complimentary drop-off & pick-up of campers to their on-site group Swim Lessons during camp afternoons.
- This service is offered for lessons starting & ending at the following times ONLY:  
3pm-3:25pm, 4:30pm-4:55pm, 5pm-5:25pm.  
No Exceptions due to scheduling conflicts with staffing our Drive-thru times.
- To partake in this service, parents must answer the Swim Lesson questions during online CampCo registration system or update the info no later than 7 days prior to camp, including lesson dates, days of the week, times & level.
- CampCo does not stay with campers & is not responsible for campers while they attend swim lessons.

### **CampCo Tie Dye Tuesdays & Thursdays:**

- Campers are encouraged to wear CampCo Tie Dye T-shirts at camp, especially on Tuesdays & Thursdays.
- CampCo Tie Dye T-shirts are available during morning drive-thru lines for \$15 each, cash or Venmo.

It is vital that CampCo & camp site phone lines remain open so that we can make calls back & forth to our camp staff to check on campers, to call parents & to call emergency services, if necessary.
- CampCo will only telephone parents of campers who are injured or in need of parent pick-up. If everyone & everything is fine, parents will not be telephoned.
- Depending on the situation, we may send texts or emails, &/or post updates in our Facebook/Instagram so we may update multiple families quickly after an emergency.
