

# Camp Rules, Routines & Expected Behaviors

## Summary for LFS&S Little Folks Campers & Families

At CampCo Day Camps, we want all of our campers to have a safe, fun & memorable time! Each morning, we review camp rules & discuss expected behaviors as a group. Throughout the week(s) of camp, campers learn the routines. It may be helpful to read & discuss the following summary of our “Camp Rules, Routines & Expected Behaviors” before their first day of camp.

### CAMP ACTIVITIES

- We have a LOT of fun games, crafts & other activities planned. Some might be new to you. Just give it a try!

### CAMP LEADERS

- Always listen & follow a leader’s directions, right away.
- Hands off of the Leaders’ walkie talkies, clipboards & pens, nametags, all other belongings.

### BACKPACKS & BELONGINGS

- Backpacks & belongings hang on the hooks in the classroom.
- Keep your things together, organized & tidy. Put items into your backpack when you are done with them.
- YOU are responsible for your stuff. We stay out of other’s belongings.
- Stuffed animals, toys, phones, iPads, wristband communication devices & other electronics must stay home.

### WRISTBANDS & NAMETAGS

- Wristbands & nametags stay on until you are signed out for the day

### CAMPSITE BOUNDARIES

- We stay with our group & our leader. We must always be with a leader **&** one or more buddies.
- We walk from place-to-place in a “camper sandwich” (leader in front, leader in back, campers in the middle).

### BE RESPECTFUL & POLITE. MAKE NEW FRIENDS!

- There are lots of nice kids at camp; Make a new friend... or nine new friends!
- Use polite words. No naughty words.
- Hands & bodies to yourself. No fighting, hitting, poking, rough play, etc....
- Be respectful of each person’s personal space. No lap sitting.
- We share toys & crafts supplies. But, we do NOT share food, money, sunscreen or clothing.

### RESPECT OUR CAMPSITE & THE CLUB

- Be kind to nature. Stay out of the bushes & trees. No tree carving or pulling branches. Leave bark on the trees. Be nice to the ducks, geese & other critters. LOOK at the cool bugs (but, don’t put them in your backpack).
- Leave the camp & classroom cleaner than when we arrived. Throw away trash.

### PLAYGROUND & VOLLEYBALL COURTS

- Sand stays on the ground (sand in the eyes hurts a lot!)
- We may not pull on the volleyball net & ropes or we’ll lose the privilege to use it.
- Use playground equipment properly. Up the stairs & down the slide.

## RESTROOMS

- Your leader will bring the whole group to use the restroom a few times each morning. Even if you don't think you need "to go" please try anyway. If you need "to go" at any other time, tell your leader.
- Campers need to use the toilet, wipe, pull their pants down & up, & zip their pants on their own. Your leader will stand outside the stall.
- We give PRIVACY in the restrooms. No looking under stalls.
- Wash hands with soap & water after using the restroom.

## SHOES

- We wear tennis shoes & they stay on (unless it's a special no-shoe activity).

## MORNING SNACK & WATER

- Campers bring their own "healthy snack" for morning snack time. No nut items at camp.
- Drink lots of water. Your leader will remind you.
- Remember, we don't share food with other campers.

## SUNSCREEN

- Put on sunscreen in the morning before coming to camp.
- Bring a bottle of sunscreen to camp (with your name on it!). Your leader will guide you on how to re-apply.
